Re: Final Report & Accounting
Date: 21 September 2021

Greetings: Another exciting and fulfilling adventure. Thank you for the opportunity to care & share with others the NA Way. The motion to sponsor The Journey Continues-Revisited was grounded in the following mission: To celebrate our life worth living, to keep what we have by giving it away, and to realize Our Vision by further developing the practice of increased individual recurring contributions to NAWS.

The committee consisted of seven core members (deliberative body). The core committee met weekly beginning 07/17/21 for eight (8) pre-event meetings and one post-event meeting 09/26/21. We have left the website up and the button connects directly to NAWS.

The event was held from noon September 3 through noon September 6 2021 for 72 continuous hours.

Again, we experienced many blessings and many lessons: the event start was a debacle - my internet went out, Lorraine's power went out, and everyone scrambled to re-assemble and get us back on track. The committee was dedicated, cooperative, unified, courteous (mostly), accommodating, spirited, and remarkably supportive. There were very few complaints, there were a noteworthy number of supportive acknowledgements, and there was an unmistakable *together we can* do anything attitude. This is the final report – the committee has completed and concluded.

Event Contributions: \$ 17,539.47
Directly Contributed to NAWS (includes recurring monthly) \$9,838.32
To and through tjna.org portal: \$6,927.51 Give Butter \$681.00

We thank the WNIR elected members who participated with a special SHOUT OUT to Kia who hosted two (2) late night segments. We thank all of our speakers from twenty-four (24) countries, Chris B. & Boyd P. for the History presentation. We send our special thanks to the NA World Board members, former World Board Members, NAWS for their participation our fellowship members for support and acknowledge the following service bodies:

We have reached our supportive membership base, we will look at new ways to increase support through recurring individual, group, area, regional and zonal contributions. We made a splash which became a ripple that is the start of a continuing journey that will resoundingly reach around the world. Thank you for entrusting us with this service opportunity.
