

Hi Everyone!

On April 30th, The A(nother) Month of Caring and Sharing wrapped up and we are happy to report, it was a great success! During the 30 days in the month of April, we had 29 unique service bodies volunteer; 16 from within the United States and 13 internationally. Within each of those service bodies were numerous individual members who stepped up and volunteered everything from their time and tech skills to their experience, strength and hope! The grand total number of contributions collected for NA World Services was \$172,528. The total cost of this event was \$492, which was absorbed by the New England Region. We want to thank all those who helped. With you our goal to raise awareness, start and continue conversations about fund flow and raise financial support for NA world Services surpassed ALL expectations!

Stay tuned for upcoming events related to The A(nother) Month of Caring and Sharing. The committee has been brainstorming new and exciting ways to continue our efforts. We can't wait to share them with you! We have a mailing list and we are currently checking it for accuracy. Please, contact us with updated contact information on currently serving delegates so we can ensure delivery of important information is received.

In Loving Service,
The A(nother) Month of Caring and Sharing, The Journey Continues Committee
